Message from the Guest Editors

Dear Colleagues,

The emphasis of this Special Issue intend to cover aspects related to measure tourists' preferences (cases of study, surveys, instruments, etc...) regarding the degree to which they accept (or prefer?) experiences in tourism facilities or cultural programmes with sustainable characteristics. We aim to gather papers related to psycho-social and/or environmental sustainability with a particular focus on gender, age and/or physical differences of tourist.

Prof. Dr. Isabella Crespi

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer-reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Author Benefits

Open Access:—free for readers, with [article processing charges \(APC\)](#) paid by authors or their institutions.

High visibility: indexed by the [Science Citation Index Expanded](#) and [Social Sciences Citation Index](#) (Web of Science), as well as [Scopus](#) and [other databases](#).

Rapid Publication: manuscripts are peer-reviewed and a first decision provided to authors approximately 14.7 days after submission; acceptance to publication is undertaken in 2.9 days (median values for papers published in this journal in the second half of 2020).
